

## U23 Championship Scouting Report (2024/25 Season)

This list of players contains a scouting report of top metric performing U23 players in the championship for 24/25 season.

### Andre Brooks

- Club: Sheffield United
- Age: 20
- Market Value: 3.0m
- Height: 1.80m
- Foot: Left

### Mohamed Belloumi

- Club: Hull City
- Age: 22
- Market Value: 4.5m
- Height: 1.77m
- Foot: Left

### Mateo Joseph

- Club: Leeds United
- Age: 20
- Market Value: 3.5m
- Height: 1.85m
- Foot: Right

All three players stood out across the key underlying attacking metrics evaluated: non-penalty expected goals, expected assists, and progressive receptions per 90.

Despite limited minutes at their respective clubs, the data demonstrates strong indicators of future attacking output, whether through consistent chance creation, intelligent movement into dangerous areas, or high-quality shot production.

Together, they represent a group of young, affordable, and data-verified prospects who could offer significant long-term value for a Championship side looking to strengthen its forward options.
